(Presentation at 5:30 PM)**

The 3rd Public Meeting for the 2011 Dallas Bike Plan will be held in the Flag Room at City Hall on January 20th. Please join us to review the final maps, and see a presentation on the main recommendations from the draft Plan, public safety, and implementation. Registration/sign-in for the meeting will be at the west entrance to the Flag Room on the 6th Floor (6E-North), accessible via the green elevators.

**** Notice: Automobile visitor parking spaces are no longer available in the City Hall Garage. There will be a bicycle corral outside the west entrance to City Hall.** Metered automobile surface parking (free after 6 PM) will be available in the parking lot on the south side of City Hall. Access to City Hall will be available through the automatic sliding door on the south side of building and located close to S. Akard Street. Please proceed through the lobby to the green elevators. **
