

you've helped  
**Make Ends Meet**  
 SUPPORT ENHANCEMENTS OF THE COTTONWOOD TRAIL

# Cottonwood Trail

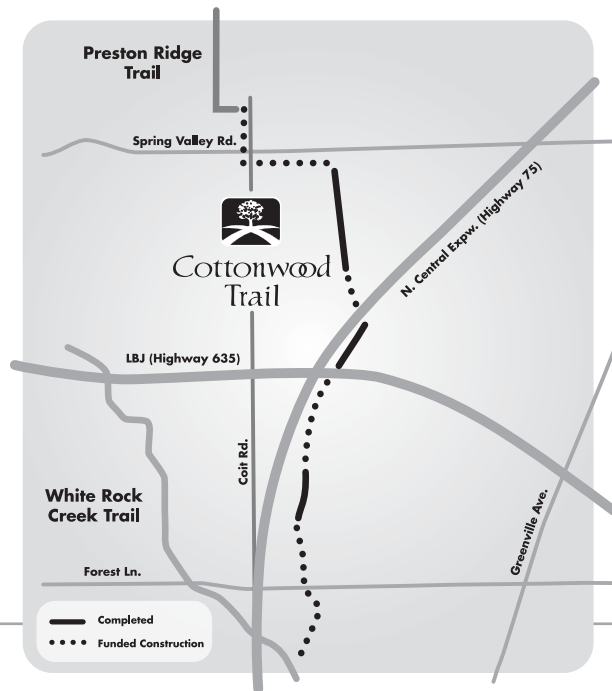

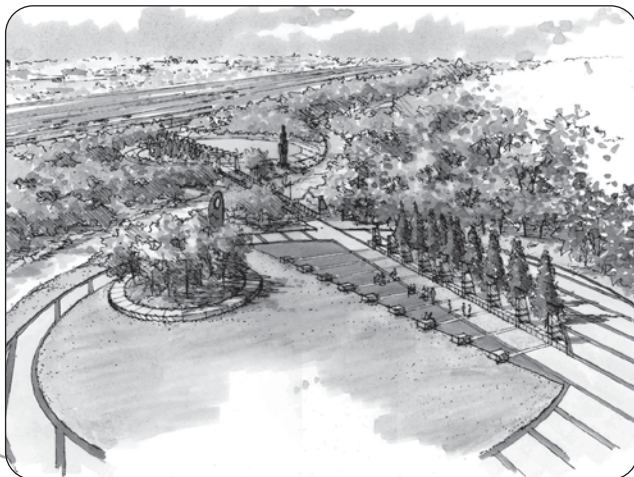

## Start to Finish ... and Beyond

The Cottonwood Trail connecting Preston Ridge Trail in Dallas to White Rock Lake is now fully funded, but we still need your support. Your donations will help maintain the trail and enable enhancements in safety, health and the environment. Thank you for helping make ends meet and contributing to this vital community project.

## Cottonwood Trail Esplanade

Along the Cottonwood Trail, joggers, cyclists and families can enjoy the beauty and serenity of two esplanades connected by a pedestrian bridge. You can contribute to the landscape by purchasing a customized brick to recognize family and friends, or special occasions like retirements and anniversaries. Your brick will also help fund enhancements along the Cottonwood Trail.

## Key Stakeholders

Area businesses, civic and community organizations, special interest groups and potential funding partners include:
